Support for Budget Request: Provide justification for the budget request using as much detail as possible to support it. Examples of acceptable support include unit costs, quantity estimates, price quotes, etc. Requests based solely on a percentage increase above the previous budget will not be accepted. Use additional sheets if necessary.

This amount has been set by Council as the General Fund contribution toward Wastewater debt service, paying for parts of Wastewater bonds whose projects benefited the City as a whole and not just the sewer ratepayers. See City-Sewer Debt Split.xlsx worksheet for detail. Runs to FY2029.
