Any other thoughts you'd like to share?

I want to sincerely thank CTCL for the opportunity to secure these Grant funds. This allowed me to conduct a safe, secure and EXTREMELY busy election with little worries about the additional costs associated with running two pandemic elections in 2020.

Once a month, we send out a newsletter called ELECTricity, which helps election officials stay current with election administration stories, technology, and best practices. We also send periodic updates about CTCL's trainings, resources, and tools. Would you like to receive this newsletter?
